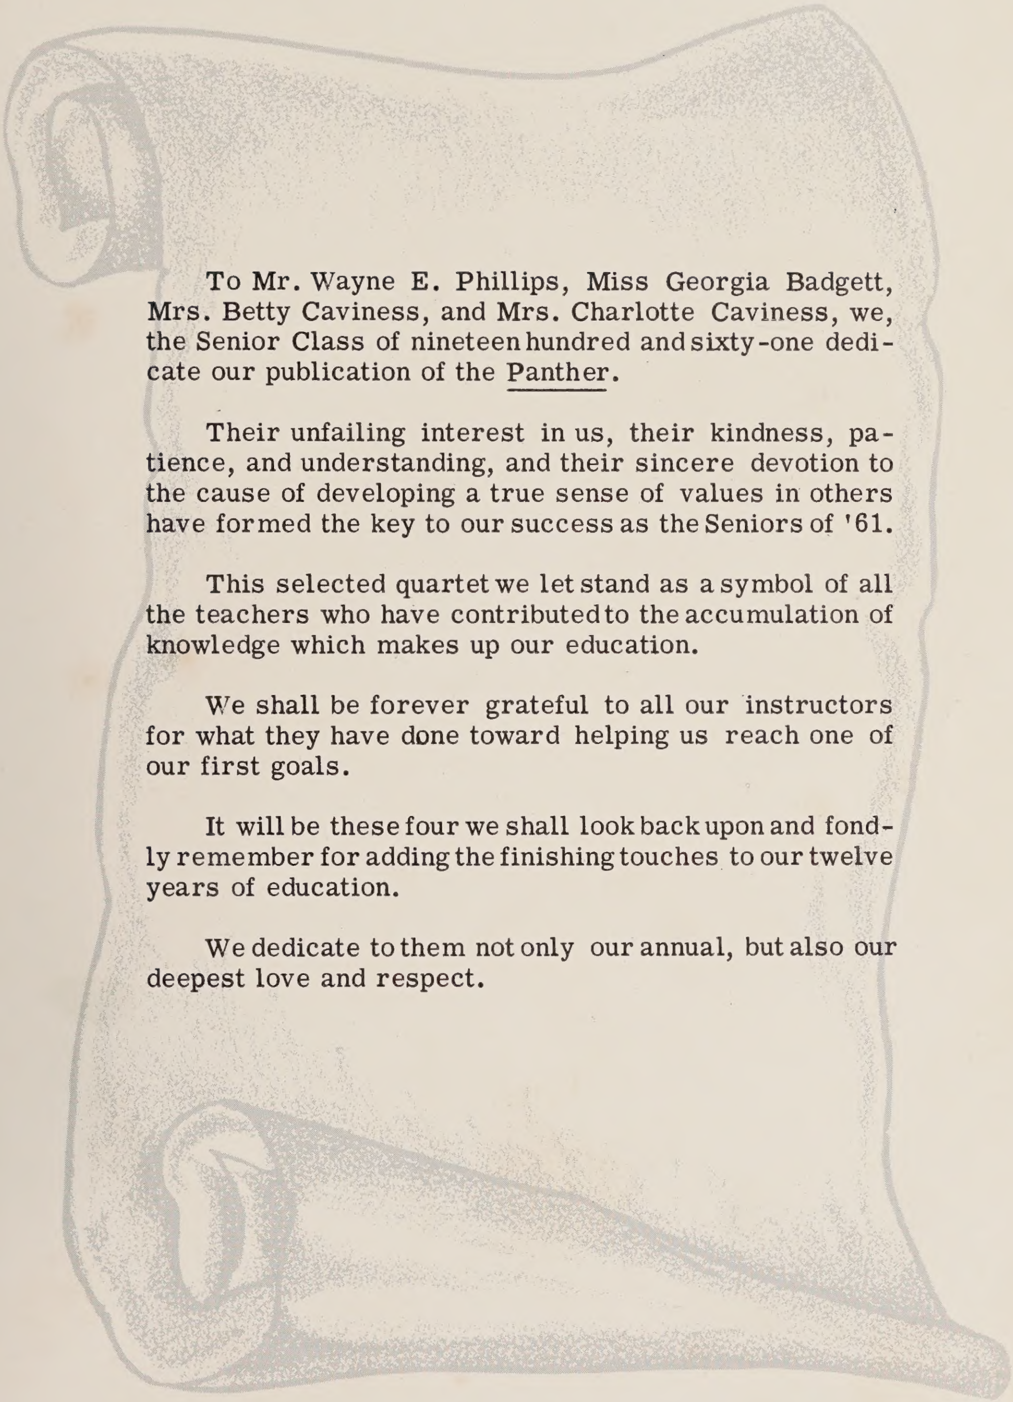
THIS IS

OUR YEAR

DEDICATION...



To Mr. Wayne E. Phillips, Miss Georgia Badgett, Mrs. Betty Caviness, and Mrs. Charlotte Caviness, we, the Senior Class of nineteen hundred and sixty-one dedicate our publication of the Panther.

Their unfailing interest in us, their kindness, patience, and understanding, and their sincere devotion to the cause of developing a true sense of values in others have formed the key to our success as the Seniors of '61.

This selected quartet we let stand as a symbol of all the teachers who have contributed to the accumulation of knowledge which makes up our education.

We shall be forever grateful to all our instructors for what they have done toward helping us reach one of our first goals.

It will be these four we shall look back upon and fondly remember for adding the finishing touches to our twelve years of education.

We dedicate to them not only our annual, but also our deepest love and respect.

Early in the year we elected our Harvest Kings and Queens.

One of our first projects was selling candy for our finances.

Some of the seniors began preparing early for college entrance exams.

CLASS HISTORY

We the class of 1961 shall always remember the years of 1958-1961 with a smile on our faces and many fond memories in our hearts.

We all were excited about starting our first year in high school and Mrs. Betty Caviness was assigned to lead us as a homeroom teacher. Well, we finally settled down to business and elected these officers: Carol Smith, President; Edward Caviness, Vice-President; Aletha Teague, Secretary; and Joe Moran, Treasurer. We were all proud as could be to have Raeford Brady win the title of Harvest King in the fall of that year.

My, time surely does fly! Feeling very proud to be upperclassmen, we began our Sophomore year, selecting our officers as Carol Smith, President; Mary Lou Brady, Vice-President; Peggy Brown, Secretary; and Roger Phillips, Treasurer. Miss Peters was our homeroom teacher that year. We sold class pins to make money for the banquet we were to give the next year.

Before we realized what had happened, we were in the midst of our junior year. We selected Carol Smith, President; Edward Caviness, Vice-President; Aletha Teague, Secretary; and Judy Welch, Treasurer. Mrs. Charlotte Caviness was our home room teacher.

We sold pennants and cakes at ball games to make money for the Junior-Senior banquet, which we had a wonderful time giving.

Gee whiz! That was short, and now here we are Seniors. For the fourth year in succession we elected Carol Smith, President. The other officers were Billy Gene Brewer, Vice-President; Aletha Teague, Secretary; and Judy Welch, Treasurer. Mrs. Betty Caviness was our home room teacher.

We all enjoyed giving our Senior play which we thought was a great success.

We thought we had a good time working on the Junior-Senior banquet last year, but it was nothing compared to being guests at the one the Juniors gave us this year. We shall never forget it!

Suddenly, with a tingle of sadness, we realize our high school days are almost over. Yes, soon we shall graduate, but we know we shall never forget four of the most wonderful years of our lives--the years spent in our alma mater, Bennett High School.

CLASS PROPHECY

Once upon a time there lived in a beautiful land called Bennett, some boys and girls who loved to go to school very much. These boys and girls began going to this school when they were very young, so they learned many valuable lessons. Their teachers were wise and good and always kind. The boys and girls loved and respected their teachers and profited from their association with them.

But is so happened that these boys and girls finally became seniors and graduated from this school. The principal presented each one with a diploma and kindly charged him to go out in the world and make a living for himself. At first these boys and girls were very unhappy to part with their friends and to leave the school where they had had such good times together. But they realized they could not stay in school any longer. They forgot their sorrow and became interested in seeing new places and seeking fortunes for themselves.

So they went forth into the world and had many unusual and exciting experiences. Some of them became very rich and famous, and all of them made a success in life. So now as we gaze into the future of all those Seniors of '61, we shall see just what pattern each one followed in life.

Mary Lou Brady, her husband, and two curly-headed boys, are now living in Miami, Florida. In case you haven't heard, they own and manage the famous "Blue Sea Motel" there.

Who is the pretty nurse we see coming out of the Men's ward in Siler City Hospital? It is none other than Aletha Teague. Wonder who her patient is? Oh! It's Billy Gene Brewer, construction worker. From all reports, he has just fallen off one of the largest bridges ever attempted to be built.

Carol Smith is back at dear Ole Bennett High School teaching chemistry. No wonder she studied her chemistry so much during high school. Oh, yes! She is now coaching the Girls' Basketball Team, also.

After finishing Mechanic School and 5 years of practice in the field, Edward Caviness bade good-bye to dear Ole Bennett and went to Charlott Speedway as top mechanic.

Who do we see bending over test tubes in a Science Laboratory? Look up Professor! Ah! It is none other than Joe Larry Jones.

Cleo Brown joined up with the Navy soon after graduation and is now in command of his own battleship, the "Brown Clipper."

We hear that Ray Coble is now a policeman in Bennett. No wonder so many girls are being stopped these days.

Guess who is Manager of the General Motors Corporation? It is none other than our own Raeford Brady. He always did seem to like Chevrolets.

Those two years of driving the school bus were really a credit to Roger Phillips, because now he is chief director of the Greyhound Bus Corporation.

Glenda Lambert is now working as a secretary in the Bank of Bennett. Oh, well, I suppose something had to come of all those speed tests in typing, huh, Glenda?

As we travel down Main Street in New York we see a large sign, "Boys' Most Glamorous Hair Styles." Who is the operator? None other than our own Brenda Ferree Brown. She always did seem to have an interest in boys.

Who are the two girls we see coming down the street dressed in Wac Uniforms? Who? Clara Mae Cheek and Eva Mae Phillips? Well, was that ever a shock! Their reason for joining could not have been anything pertaining to soldiers, could it?????

Carolyn Jones is now composing music for one of the biggest Symphonies in New York. She is also music teacher at Bennett High. She flies back and forth every week in her own private plane.

Have you noticed the new designs in clothing the Hollywood stars are wearing? Judy Welch is a top designer in Hollywood now. We surely admire your creations, Judy.

Joyce Phillips now owns and operates her own beauty shop in the basement of her new million-dollar home. This shop is just one of the many she owns all over the country.

Irene Brady has taken over her husband's business of operating a golf course. They have made a cool million on their many acres in Bennett. Guess who her assistant is. It's none other than Patsy Brown.
